

Deacon Donnie E. Davis
Journeyman Scholarship
Application Package

A Journeyman is an individual who has completed an apprenticeship and is fully educated in a trade or craft.

Purpose

Deacon Donnie Davis, a native of Mississippi, served in the U.S. Air Force as a trained sheet metal machinist. He received additional education and specialized skills in vocations such as air-conditioning and refrigeration, welding, carpentry, mechanical, and electrical.

He was employed at Chrysler and worked 30 years at Griffin International where he retired as sheet metal supervisor. As a leader and ambassador for change, he was self-motivated and was always found seeking ways to simplify, beautify, fix, repair, and make things better in his church, home, family, and community.

He had a love for teaching and mentoring. He often encouraged others to pursue a vocational skill for gainful employment and sustainability.

*I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me. **Galatians 2:20***

Applicant Qualification Guidelines and Procedures
